Dear Dr. Kai Zhang,

I am happy to invite you to the Department of Philology of the University of Crete as a visiting scholar during the fall semester 2018 (September 2018-February 2019). I would be very glad to supervise your research on Xenophon. I would also like to inform you that I will teach an undergraduate seminar on images of Persia in Ancient Greek Literature and you are welcome to give a talk in the framework of my course. Furthermore, you are invited to attend the International Conference I am organizing in October 2018 on Xenophon's *Anabasis* and its reception.

My Department will be able to provide you with library and office facilities and you will also have the opportunity to attend all our academic activities (lectures, colloquia, conferences etc.).

Look forward to welcoming you to Crete

Yours sincerely,

Eleni-Melina Tamiolaki
